

# How to Recommend a Digital Title

1. Go to <https://onlib.overdrive.com/>.

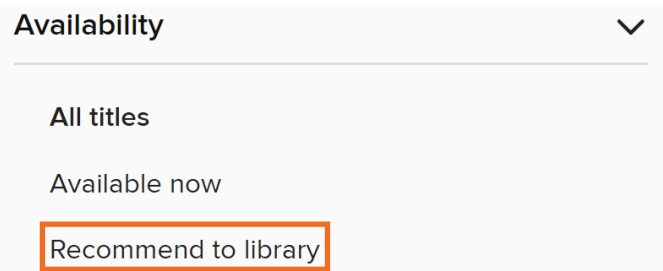

2. Click the Sign in button in the upper right corner and sign in with your library card number and PIN.

Sign in

3. Search for a title in the search box.

4. On the results page, select **Recommend to library** in the Availability filter on the left side of the page. This will show titles that are available in eBook or audiobook format, but are *not* owned by our library.

5. Click the **Recommend** button below the title you wish the library to purchase.

RECOMMEND

6. Enter your email address and click **Recommend** to recommend the title. If the title is purchased, you will be notified via email when the title is available. You can recommend 2 titles per day.
