To our Patrons of the Community Library of DeWitt & Jamesville service area,

From the entire Library staff, and me personally, we'd like to extend our deepest gratitude for your vote of confidence and appreciation to your Library. Your approval of our 2023 budget means not only that we can keep our doors open and our lights on, but that we can bring you all the new books, movies, video games, and all the other popular materials that are leading us to a possibly record year in circulation. Plus, your approval also helps us provide all the amazing programming, such as free musical concerts, children's and adult programs, and our crafting programs that are both instructive and fun. Finally, we serve as a hub of community activity – our free meeting rooms are open for your reservations as needed.

We love what we can do for DeWitt and Jamesville, and we could not do it without your continued support.

THANK YOU!
