Tech How-To Sessions @ CLD&J

5110 Jamesville Rd, Jamesville, NY 13078
(315) 446-3578

<https://cldandj.org/>

Keeping up with family and friends during this time can be difficult for those unexperienced with modern digital tools. In Tech How-to sessions you can get help with video communication software (FaceTime, Zoom, etc.), telework applications, social media, streaming media, and other computer or device issues. Sessions are run via phone call or Google Meet video call. Visit, call, or go to the library's website to sign up for a session.

CNY Works

960 James St. 1st Floor, Syracuse, NY 13203
(315) 473-8250

<http://www.cnyworks.com/>

CNY Works offers multiple free trainings for job seekers and employed members of the workforce to enhance and develop sought after skills. Trainings include PC Literacy, Keyboarding, Microsoft Office, and more.

Upstate Oasis

6333 Route 298, East Syracuse, NY 13057
(315) 464-6555

<https://oasisnet.org/Syracuse>

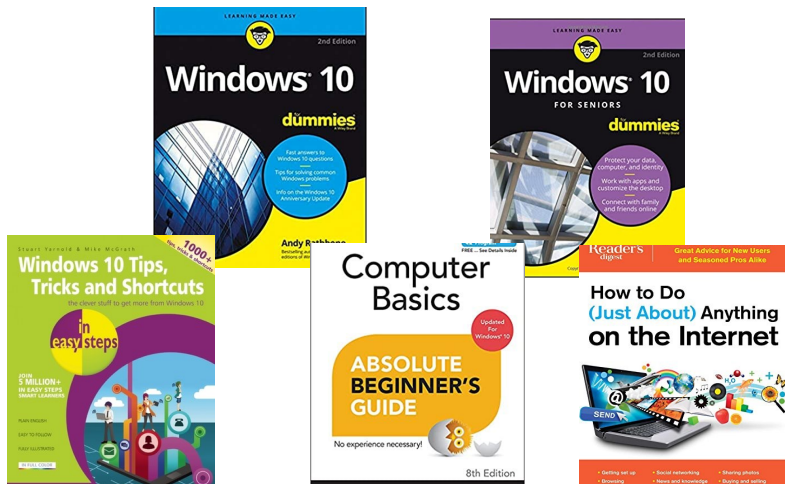

Oasis is a national nonprofit educational organization designed to enhance the quality of life for adults age 50 and older. Upstate Oasis provides a variety of technology classes for a fee including Windows 10, cybersecurity, tablets, social media, and more.

Syracuse Educational Opportunity Center

100 New St #4, Syracuse, NY 13202
(315) 472-0130

<http://www.syracuseeoc.com/>

Syracuse EOC provides students with the keyboarding and computer application knowledge and skills needed to enter and compete in today's workplace and/or at the college level. All training is accomplished using industry-standard computer equipment and software.

Websites:

GCFLearnFree.org

GCFLearnFree.org offers technology tutorials in more than 200 topics, including more than 7,000 lessons and more than 1,000 videos completely free. Tutorials range from Windows 10 to Facebook to Android.

DigitalLearn.org

DigitalLearn.org is grant-funded PLA website that serves as an online hub for digital literacy support and training. Free video-based modules help learners with using a mouse, creating an email address, navigating a website, and more.

TechBoomers.com

TechBoomers.com is a free educational website that teaches older adults and other inexperienced Internet users with basic computer skills about websites that can help improve their quality of life.
