

Community Library of DeWitt & Jamesville

NEST OF THINGS COLLECTION

The Nest of Things Collection is a special collection consisting of a series of bundles (aka kits) and equipment. This collection is similar to what other libraries call their *Library of Things*. You can find the ***Nest of Things Collection*** in the upper browsing area.

Cricut Joy

The perfect companion to everyday crafting, the Cricut Joy is a compact and portable way to enjoy digital cutting, writing and drawing at home. Quick and easy to use, this machine

allows you to personalize projects for DIY designs – perfect for card-making, home decor, gifting, custom

Cricut Mug Press

Make professional mugs in minutes using this Cricut Mug Press. Compatible with 11-16 fl. oz. infusible ink Cricut mugs that are dishwasher safe. Mugs, transfer sheets and infusible ink markers/pens are not included.

Cricut EasyPress

With the Cricut EasyPress, you can press items without any guesswork by entering precise time and temperature settings through Bluetooth connection.

2 Nest of Things Collection Bundles

Emergency Sewing Bundle

The emergency sewing kit bundle includes a selection of useful, tiny tailoring tools that can be used on the go for a quick fixes and mending for clothing and

Flower Press

Different to drying flowers, pressing flowers is a way to preserve flowers for crafts like homemade bookmarks and pictures by flattening the plant between sheets of paper and cardboard for a set amount of time.

Jewelry Tools

Take jewelry tools out to fix your jewelry for free, or use it as a stepping off point to start making your very own, customized jewelry. The variety of pliers and tools within the kit can help you do either.

Button Press

The button press features instructions and tools to create customized buttons for events, organizations, or just for fun. Pins, buttons, and plastic covers are not included in this bundle.

Knitting Loom Rings

This set of knitting loom rings includes QR code instructions for making hats and scarves. These projects are a great way to start your fiber arts journey. Yarn is not included.

3 Nest of Things Collection Bundles

Portable Power Station

This power station is great for both indoor and outdoor uses, whether on the go, in an emergency, or simply staying at home. It's compact, but still has 8 different output ports for all of your devices, an LED light and a battery management system for your safety.

Streamer Bundle

The streamer bundle is a great place to start your streaming journey. These beginner tools provide the basic necessities and instructions to get your setup ready to go. No more waiting to get the right equipment, just check out this bundle.

Snowball Microphone

The snowball microphone is the fastest, easiest way to get high-quality sound for recording and streaming. Powered by a custom cardioid condenser capsule, the Snowball microphone delivers crystal-clear audio quality that's light-years ahead of your built-in computer microphone.

Mini Microphone

Often popular for recording audio for social media content, this wireless lavalier microphone is easy to set up with your laptop, tablet or smart phone for great quality audio.

3-Axis Gimbal Stabilizer

Use this stabilizer to get the best steady shots of your favorite concerts, family videos, and more, or use it to become the next Tiktok star. Works with smartphones with a screen size of 6.7" and

4 Nest of Things Collection Bundles

Camera Stabilizer

Great for filming stable, professional looking footage, due to the handheld, weighted design.

Camera Tripod

Check out a library tripod for all of your filming and photography needs with an easy mounting mechanism for all cameras.

EPSON Projector

Borrow a library projector to help communicate your ideas to different groups in a bigger, visual way or even use it just to show your family your vacation photos. Screen is not included.

Mini Portable Projector

This mini portable projector makes theater-like experiences easy, with Bluetooth connection, Wi-Fi capabilities, built in speakers, and screen-mirroring abilities. Take entertainment anywhere you go.

Blu-ray Player

The Blu-ray player is a stand-alone unit that plays Blu-rays movies, DVDs, and CDs. Using the HDMI cable provided, connect it to your TV and play all of your favorite library media.

Home Radon Detector

This home radon detector is battery operated and offers a quick overview of your short-term radon levels.

Spikeball

Spikeball is an outdoor family lawn game of roundnet played by two teams of two players. This bundle is great for entertainment during camping, parties, or just general good weather.

7" and 8" Bongo Drums

These bongo drums are the perfect set for people in the beginning of their percussion instrument learning journey or those who are experts and already have the best rhythm.

10" Handheld Tambourine

The tambourine is also perfect for those just starting to get their rhythm, or for those who already have it, pairing well with the bongo drums.

Acupressure Mat

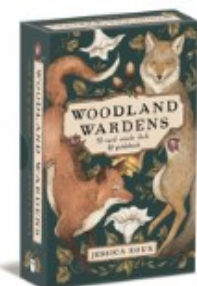

Acupressure mats are a great tool for at-home stress management, helping release energy from different pressure points on the body to improve circulation. This acupressure mat is also travel-friendly for pain relief in any setting.

Woodland Wardens

Oracle Deck and Guidebook

With imagery reflecting elements of the natural world, this oracle deck and guidebook are great for learning divination, fortune telling and personal exploration skills.

6 Nest of Things Collection Bundles

The Original Tarot

Tarot Deck and Guidebook

This higher quality version of the traditional Waite-Smith imagery, most often associated with tarot cards, is a great beginner deck for those looking to start gaining more insight

Modern Witch

Tarot Card Deck and Guidebook

Combining youthful, diverse characters with the traditional symbolism of tarot, this deck and guidebook are great for those interested in practicing modern card reading and fortune telling.

Empire Pass

This pass is your key to all-season enjoyment at New York State Parks. It provides unlimited day-use vehicle entry to most facilities operated by New York State Parks and the State Dept. Environmental Conservation including forests, beaches, trails, and more.

MoST Pass

This pass gives free admission for up to six people to the hands-on science and technology museum located in historic Armory Square in downtown Syracuse. The museum provides a great experience for learners of all ages and abilities.

Onondaga County Explore Outdoors Pass

This pass is valid for free admission at:

- Beaver Lake Nature Center (One Vehicle)
- Oneida Shores Park (One Vehicle)
- Highland Forrest (Four People)
- Pratt's Falls Park (Four People)
- The Rosamond Gifford Zoon (Four People)
- Jamesville Beach Park

7 Nest of Things Collection Policies

About Borrowing Materials from the *Nest of Things* Collection

Checkout Policy

1. There is no age limit for the patrons who'd like to borrow from the *Nest of Things* collection. All you need is a valid library card and good standing OCPL account.

2. FOR BUNDLE AND KITS ONLY:

The regular loan period is two weeks, with the exception of the flower press, which loans out for four weeks. Renewals are not allowed and patrons must wait 7 days before checking out an item they've just returned. Holds may also be placed for items if they are not immediately available.

FOR EMPIRE, MOST, AND COUNTY PASSES ONLY:

The regular loan period is three days. Renewals are not allowed, and patrons must wait 7 days before checking out the same pass again. Holds are not available on any passes.

3. Items must be returned to the Community Library of DeWitt & Jamesville's Front Desk. *Nest of Things* items may NOT be returned to another library or returned in any book drop (passes may be returned in the book drop.) Failure to comply may result in suspension of *Nest of Things* borrowing privileges.

Replacement Costs

By checking out these items, patrons are agreeing to pay all replacement costs associated with damage, loss or theft of *Nest of Things* items and passes. These replacement costs can be found on the item list within each bundle or in each pass binder.

If you are unclear about the cost of an item, ask the librarian-in-charge before checking out the item. Library staff will conduct a physical check of the *Nest of Things* item or pass when it is returned.
