

Filming and Photography at the Community Library of DeWitt & Jamesville

As of February 2025

CLD&J staff may take photos, videos, and/or record audio of people enjoying the Library's programs, services, and events. The images may be used by the Library for publicity purposes in print and electronic media, or ultimately be published on the internet. (If library attendees do not wish their images to be used, please notify a staff member.)

The library holds the physical rights to the photos, films, and videos, and does not grant written permission for any format of reproduction.

Attendance at a CLD&J sponsored event constitutes the consent of all attendees and the consent of any legal guardians of any minors in attendance, to the future use of photographs or videos at the sole discretion of the Library, unless staff are otherwise notified. To insure privacy for individuals, including minors, images will not be identified using full names or personal identifying information without approval from the imaged subject or legal guardians.

No commercial or media photography or video recording may occur in the Library without the prior permission of the Executive Director.
