# Teen Volunteer Projects

Please select 3 projects you are interested in and rank them 1-3 from greatest to least interest.

## \_\_\_\_ **Teen Coding Internship**

Thinking about a career in coding, web development, or technology? In this internship, you'll identify key coding skills that you think everyone should know, and teach these skills to others in a relaxed and informal class environment. You'll learn how to make tech fun and engaging for people in your community, and give your resume an edge in future job searching. You might be surprised to learn how far social skills like public speaking and teaching will take you.

## \_\_\_\_ **Teen Making Internship**

Do you like to tinker with crafts, electronics, or gadgets? Whether you're a hobby inventor, a hacktivist, or just like to pull things apart and make something new, this internship is a great way to showcase your creative maker ideas. Interns will develop or adapt their own invention and present it to the community in a fun making lesson.

## \_\_\_\_ **Murder Mystery Author Internship**

Are you an aspiring author or a mystery enthusiast? Craft a murder mystery to stump your friends! During this internship you'll write a mystery, develop the clues and red-herrings, then help set-up and co-host the event.

## \_\_\_\_ **Social Media and Publicity Internship**

Are you interested in social media and digital production? Orchestrate a social media takeover, film and edit a book review video, or any other creative idea on your mind!

## \_\_\_\_ **Craft Your Own Internship**

Do you have a skill or interest that you would like to share with other teens or children? We'd love to hear about it and help you make it a reality. The options are limitless with this internship. Please write your idea in below.
