

The Library welcomes area teens (grades 9-12) to participate in the exciting potential of our fabulous new library. Gain experience, learn a new skill, and give back to your community by volunteering!

Application Deadlines:

We want to be able to accommodate as many teens as possible; however, space is limited. For this reason, please follow the deadlines listed below when submitting your application.

Note: Applications submitted after the deadline won't be considered.

Fall Semester (October—January)	Deadline: September 15th
Spring Semester (March—June)	Deadline: February 15th
Summer (July & August)	Deadline: June 15th

Applicants will be given a formal interview prior to beginning their volunteer work.

Teen Volunteer Projects

Please select the project you are most interested in from the list below.

Murder Mystery Author Internship

Are you an aspiring author or a mystery enthusiast? Craft a murder mystery to stump your friends! During this internship you'll write a mystery, develop the clues and red-herrings, then help set-up and co-host the event. (Mysteries are scheduled in the Spring and Fall)

Breakout Internship

Are you interested in puzzles? Would you like to challenge your friends and other teens? Help our Teen Librarian, Nan, develop and create a breakout at the library, then help set-up and co-host the event. (Breakouts are scheduled in the Winter and Summer)

Social Media and Publicity Internship

Are you interested in social media and digital production? Orchestrate a social media takeover, film and edit a book review video, or another creative idea.

Shelving and Shelf Reading

Assist us by putting away some of the items that are returned to the library on a daily basis and keep them in order on our shelves to allow staff and library users to find items easily.

Craft Your Own Internship

Do you have a skill or interest that you would like to share with other teens or children? We'd love to hear about it and help you make it a reality. The options are limitless with this internship. Please write your idea in below.
