Teen Volunteer Projects

Please select the project you are most interested in from the list below.

Shelving and Shelf Reading

Assist us by putting away some of the items that are returned to the library on a daily basis and keep them in order on our shelves to allow staff and library users to find items easily.

Summer Reading Program (SRP) Staff

Help us with the Summer Reading Program by staffing the Children's Room desk. You will take reading reports, award prizes, prep crafts, and complete other duties. Volunteers work a set schedule of 1 or 2 three hour shifts each week during the 8 weeks of the Summer Reading Program. Summer Reading Kicks off on June 27 and runs until August 20. **Applications Due by June 1.**

Youth Literacy Mentors (YLM)

Are you interested in journalism, art, education, or graphic design? Help us create a children's magazine for our community. During this 7-week program we'll cover topics related to graphic design and children's literature. We'll be meeting on Tuesday afternoons July 12 - August 23. **Applications Due by June 1.**

Craft Your Own Internship

Do you have a skill or interest that you would like to share with other teens or children? We'd love to hear about it and help you make it a reality. The options are limitless with this internship. Please write your idea in below.

Note: During the summer you can participate in both the Summer Reading and Youth Literacy Programs. Applications Due by June 1.
